PERSONS MAKING THE SOLICITATION

This Management Information Circular (the "Circular") is furnished in connection with the solicitation of proxies being made by the management ("Management") of ShaMaran Petroleum Corp. (the "Corporation") for use at the Annual and Special Meeting (the "Meeting") of holders (the "Shareholders") of common shares in the capital of the Corporation (the "Common Shares") to be held on Tuesday, June 18, 2013 at 8:00 a.m. (Pacific Standard Time) at Suite 2000, 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8 and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Corporation at nominal cost. All costs of this solicitation will be borne by the Corporation.

The contents and the sending of this Circular have been approved by the directors of the Corporation.

Unless otherwise stated herein, all currency amounts indicated as "\$" in this Circular are expressed in United States Dollars, the Corporation's reporting currency.

APPOINTMENT OF PROXYHOLDER AND VOTING BY PROXY

The individuals named in the accompanying form of proxy (the "Proxy") are directors or officers of the Corporation (the "Management Proxyholders"). **A Shareholder wishing to appoint a person or company other than Management Proxyholders to attend and act for the shareholder and on the shareholder's behalf at the Meeting has the right to do so, by striking out the names of the Management Proxyholders and by inserting the desired person's or company's name in the blank space provided in the proxy, or by executing a proxy in a form similar to the enclosed form. In either case, the completed form of proxy must be received by Computershare Investor Services Inc. prior to the Meeting or any adjournment thereof. A proxyholder need not be a shareholder.**

You can choose to vote your Common Shares by proxy, by mail, by telephone or on the Internet. If you vote your Common Shares by proxy by mail, completed forms of proxies **must be received by the Corporation's transfer agent, Computershare Investor Services Inc. ("Computershare"), at Proxy Department, at 100 University Avenue, 9th Floor, Toronto, Ontario, Canada M5J 2Y1**, in the envelope provided for that purpose. Telephone and Internet voting can also be completed 24 hours a day, 7 days a week. For telephone voting call 1-866-734-8683 (toll free in Canada and the United States) from a touch-tone telephone and follow the voting instructions. International holders wishing to vote by telephone can dial 1-312-588-4290 to place their vote. If you vote by telephone, you cannot appoint anyone other than the appointees named on the proxy form as your proxyholder. For internet voting, go to www.investorvote.com and follow the instructions on the screen. For either telephone or internet voting, you will need your 15 digit control number which is noted on your proxy form. **Duly completed forms of proxy or a vote using the telephone or over the Internet must be completed no later than forty-eight (48) hours (excluding Saturdays and holidays) before the time of the Meeting, or any adjournment thereof.**

If you are a beneficial shareholder and receive these materials through your broker or through another intermediary please complete and return the form of proxy in accordance with the instructions provided by your broker or other intermediary.

ADVICE TO NON-REGISTERED HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold Common Shares of the Corporation in their own name. Shareholders who hold their Common Shares through their banks, brokers, trustees or other persons (“**Intermediaries**”), or who otherwise do not hold their Common Shares in their own name (referred to in this Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders who appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of Common Shares (“**Registered Shareholders**”) will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those Common Shares will, in all likelihood, not be registered in the Shareholder's name. Such Common Shares more likely will be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name of the Canadian Depositary for Securities which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The Intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to Registered Shareholders by the Corporation and is commonly referred to as a “**voting instruction form**”. However, its purpose is limited to instructing the Registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form, mails such forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote their Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the securities voted. If you have any questions respecting the voting of Common Shares held through an Intermediary, please contact that Intermediary promptly for assistance.** Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their securities as proxyholder for the Registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

These security holder materials are being sent to both Registered Shareholders and Beneficial Shareholders who have not objected to the intermediary through which their common shares are held disclosing ownership information about themselves to the Corporation (“**NOBO’s**”). If you are a NOBO, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

If you are a Beneficial Shareholder who has objected to the intermediary through which your common shares are held disclosing ownership information about you to the Corporation (an “OBO”), the Corporation does intend to pay for an intermediary to deliver the proxy-related materials with respect to the Meeting and related forms to OBOs.

ADVICE TO HOLDERS OF EUROCLEAR SWEDEN REGISTERED SHARES

The information set forth in this section is of significance to Shareholders who hold their securities (“Euroclear Registered Securities”) through Euroclear Sweden AB, which securities trade on the NASDAQ OMX First North Exchange. Shareholders who hold Euroclear Registered Securities are not registered holders of voting securities for the purposes of voting at the Meeting. Instead, Euroclear Registered Securities are registered under CDS & Co., the registration name of the Canadian Depository for Securities. Holders of Euroclear Registered Securities will receive a voting instruction form (the “VIF”) by mail directly from Computershare AB (“**Computershare Sweden**”). Additional copies of the VIF, together with the Corporation’s Management Information Circular, can also be obtained from Computershare Sweden and are available on the Corporation’s website (www.shamaranpetroleum.com). **The VIF cannot be used to vote securities directly at the Meeting. Instead, the VIF must be completed and returned to Computershare Sweden, strictly in accordance with the instructions and deadlines that will be described in the instructions provided with the VIF.**

REVOCAION OF PROXIES

A Registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the Registered Shareholder or by his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited at the registered office of the Corporation, at Suite 2600 Oceanic Plaza, 1066 West Hastings Street, Vancouver, British Columbia, V6E 3X1 (Attention: Kevin Hisko, Corporate Secretary) at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the Secretary of the Corporation or the chairman of the Meeting prior to the time of voting at the Meeting. Only registered Shareholders have the right to revoke a proxy. **Beneficial Shareholders who wish to change their vote must arrange for their respective intermediaries to revoke the proxy on their behalf.**

VOTING OF PROXIES

The Common Shares represented by a properly executed proxy in favor of Management Proxyholders will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the Management Proxyholder on any ballot that may be called for; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL SUCH COMMON SHARES WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy there under to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. If any amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the Management Proxyholders to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, the Management knows of no such amendment, variation or other matter that may be presented to the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as may be disclosed herein, no director or executive officer of the Corporation, or any person who has held such a position since the beginning of the last completed financial year end of the Corporation, nor any nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting. Directors and executive officers may, however, be interested in the annual approval of the Corporation's stock option plan as detailed in "Particulars of Other Matters to be Acted Upon – Annual Approval of 10% Rolling Stock Option Plan".

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Corporation is authorized to issue an unlimited number of Common Shares of which 810,983,860 Common Shares are issued and outstanding as at the date hereof. Each Common Share is entitled to one vote.

Shareholders registered as at May 13, 2013 (the "Record Date") are entitled to attend and vote at the Meeting. Shareholders who wish to be represented by proxy at the Meeting must, to entitle the person appointed by the form of proxy to attend and vote, deliver their form of proxies at the place and within the time set forth in the notes to the form of proxy.

The following table sets forth the only persons who as of the date hereof, to the knowledge of the directors and executive officers of the Corporation, beneficially own or control or direct, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all outstanding Common Shares:

BUSINESS OF THE ANNUAL AND SPECIAL MEETING

FINANCIAL STATEMENTS AND AUDITORS' REPORT

The Corporation's consolidated financial statements for the year ended December 31, 2012 and the report of the auditors thereon will be placed before the Meeting. Copies of the consolidated financial statements, the auditors' report and management's discussion and analysis have been mailed to all registered shareholders and non-registered shareholder (or beneficial) shareholders who have opted to receive such materials. These documents can also be found on the Corporation's website at www.shamaranpetroleum.com and are also available on SEDAR at www.sedar.com. No vote by the Shareholders is required to be taken with respect to the consolidated financial statements.

ELECTION OF DIRECTORS

The Board of Directors presently consists of six (6) directors and it is intended to determine the number of directors at six (6) and to elect six (6) directors for the ensuing year.

The term of office of each of the present directors expires at the Meeting. At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors at six and the six persons named hereunder will be proposed for election as directors of the Corporation. Unless authority to vote is withheld, the Common Shares represented by the proxies hereby solicited will be voted by the persons named therein **FOR** the election of the nominees whose names are set forth below. All of the nominees are presently members of the Board and the dates on which they were first elected or appointed are indicated below. Management does not contemplate that any nominee will be unable or unwilling to serve as a director, but if that should occur for any reason prior to the Meeting, Management Proxyholders reserve the right to vote **FOR** another nominee in their discretion, unless the shareholder has specified in the accompanying form of proxy that such Shareholder's Common Shares are to be withheld from voting on the election of directors.

The Board is proposing that Shareholders pass at the Meeting a special resolution to amend the Articles of the Corporation to incorporate advance notice provisions with respect to the election of directors of the Corporation, as approved by the Board on April 30, 2013. See "Particulars of Matters to be Acted Upon – Amendment to the Corporation's Articles to Implement Advance Notice Provisions."

Other than as disclosed below, none of the proposed directors (or any of their personal holding companies) of the Corporation:

- (a) is, as at the date of this Circular, or has been, within ten years before the date of this Circular, a director, chief executive officer or chief financial officer of any company, including the Corporation, that:
 - (i) was the subject of a cease trade order or similar order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days (an “order”) that was issued while that person was acting in the capacity as director, chief executive officer or chief financial officer; or
 - (ii) was the subject of an order that was issued after the person ceased to be a director, chief executive officer or chief financial officer in the Corporation and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer;
- (b) is, as at the date of this Circular, or has been within the 10 years before the date of this Circular, a director or executive officer of any company, including the Corporation, that while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (c) has, within the 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangements or compromise with creditors, or had a receiver, receiver manager as trustee appointed to hold the assets of that individual.

Mr. J. Cameron Bailey is a director of Alvo Petro Inc. (formerly Fortress Energy Inc., “**Fortress**”). On March 2, 2011, the Court of Queen’s Bench of Alberta granted an order (the “**Order**”) under the *Companies’ Creditors Arrangement Act* (Canada) (“**CCAA**”) staying all claims and actions against Fortress and its assets and allowing Fortress to prepare a plan of arrangement for its creditors if necessary. Fortress took such steps in order to enable Fortress to challenge a reassessment issued by the Canada Revenue Agency (“**CRA**”). As a result of the reassessment, if Fortress had not taken any action, it would have been compelled to immediately remit one half of the reassessment to the CRA and Fortress did not have the necessary liquid funds to remit, although Fortress had assets in excess of its liabilities with sufficient liquid assets to pay all other liabilities and trade payables. Fortress believed that the CRA’s position was not sustainable and vigorously disputed the CRA’s claim. Fortress filed a Notice of Objection to the reassessment and on October 20, 2011 announced that its Notice of Objection was successful, CRA having confirmed there were no taxes payable. As the CRA claim had been vacated and no taxes or penalties were owing Fortress no longer required the protection of the Order under the CCAA and on October 28, 2011 the Order was removed. On March 3, 2011 the TSX Venture Exchange suspended trading in the securities of Fortress due to Fortress having been granted a stay under the CCAA. In addition the securities regulatory authorities in Alberta, Ontario and Quebec issued a cease trade order with respect to Fortress for failure to file its annual financial statements for the year ended December 31, 2010 by March 31, 2011. The delay in filing was due to Fortress being granted the CCAA order on March 2, 2011 and the resulting additional time required by its auditors to deliver their audit opinion. The required financial statements and other continuous disclosure documents were filed on April 29, 2011 and the cease trade order was subsequently removed. On September 1, 2010 Fortress closed the sale of substantially all of its oil and gas assets. As a result of the sale Fortress was delisted from the TSX Venture Exchange on March 30, 2011 as it no longer met minimum listing requirements.

Mr. Edgar was a director of New West Energy Services Inc. (NEW-TSX-V) when, on September 5, 2006, a cease trade order was issued against that company by the British Columbia Securities Commission for failure to file its financial statements within the prescribed time. The default was rectified and the order was revoked on November 9, 2006.

None of the proposed directors (or any of their personal holding companies) has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

The Corporation is relying upon the exemption in section 6.1 of the NI 52-110 – Audit Committees, which exempts venture issuers (as defined therein) from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of that instrument.

STATEMENT OF EXECUTIVE COMPENSATION

For the purposes of this Circular, a Named Executive Officer (a “NEO”) means each of the following individuals: (a) the Chief Executive Officer of the Corporation, (b) the Chief Financial Officer of the Corporation, (c) each of the three most highly compensated executive officers of the Corporation including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the Chief Executive Officer and Chief Financial Officer, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 as determined in accordance with subsection 1.3(6) of Form 51-102F6 for the December 31, 2012 financial year; and (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation or its subsidiaries, nor acting in a similar capacity, as of December 31, 2012.

During the financial year ended December 31, 2012, the Corporation had two NEOs of the Corporation, namely, Mr. Pradeep Kabra, President and Chief Executive Officer, and Mr. Brenden Johnstone, Chief Financial Officer.

COMPENSATION DISCUSSION AND ANALYSIS

The following compensation discussion and analysis describes the Corporation’s practices with respect to the compensation of its NEOs.

Overview of Compensation Philosophy

The Corporation’s compensation philosophy is to structure remuneration packages that are sufficiently attractive to recruit, retain and motivate the kind of executives who will be instrumental in helping the Corporation achieve its short and long-term objectives, to provide executives with compensation that is in accordance with existing market standards generally, to align the interests of executive officers with those of the Corporation’s Shareholders and to link individual executive compensation to the performance of both the Corporation and the individual executive.

During 2010, the Corporation implemented a compensation structure based on the European model that takes into account inflation (cost of living), and that provides for merit increases (only to the extent that an individual’s job description or duties have been substantially altered), and cash bonuses which are based on a number of factors, including base salary, length of service and specific performance, rather than on the previous model which placed more emphasis on the incentive stock option component of executive and key personnel compensation packages.

Elements of Compensation

Executive compensation is comprised of three elements:

- base salaries, which are set at levels which are competitive with the base salaries paid by corporations of a comparable size within the oil and gas exploration industry and with operations at approximately the same stage of development, thereby enabling the Corporation to compete for and retain executives critical to the Corporation’s long-term success;
- bonuses, which are considered from time to time, based on individual and corporate performance criteria; and
- share ownership opportunities through a stock option plan, which provides additional incentive and aligns the interests of executive officers with the longer term interests of shareholders.

Each element of the Corporation's executive compensation program is described in more detail below.

Base Salaries

A NEO's base salary is intended to remunerate the NEO for discharging job responsibilities and reflects the executive's performance over time. Individual salary adjustments take into account performance contributions in connection with their specific duties. The base salary of each executive officer is determined by the Compensation Committee based on an assessment of his sustained performance and consideration of competitive compensation levels for the markets in which the Corporation operates. In making its recommendations to the Board, the Compensation Committee also considers the particular skills and experience of the individual. The base salaries of executive officers are reviewed annually.

Performance-based Bonuses

The Corporation may award discretionary cash bonuses to executive officers and employees of Corporation from time to time. The amount of the bonus that each individual may be eligible for is not set in relation to any formula or specific criteria, but is the result of a subjective determination of the Corporation's performance, overall industry conditions, as well as the individual's performance and his or her contribution to overall corporate goals. The payment of bonuses is subject to the final approval of the Board and the Board has the discretion to amend or veto bonuses in its sole discretion.

Long Term Incentive Compensation – Stock Options

The stock option component of an NEO's compensation, which includes a vesting element to ensure retention, serves to both motivate the executive toward increasing share value and to enable the executive to share in the future success of the Corporation. Individual stock options are granted by the Board on the recommendation of senior management, in the case of employees, and by the Compensation Committee, in the case of executive officers, including the Chief Executive Officer. Options are normally awarded by the Board upon the commencement of an individual's employment with the Corporation based on the level of responsibility within the Corporation. Additional option grants may be made periodically to ensure that the number of stock options granted to any particular individual is commensurate with the individual's level of ongoing responsibility within the Corporation. In considering additional grants, a number of factors are considered, including, the role the individual plays in the Corporation, the number of stock options an individual has been granted, the exercise price and the value of the options and the term remaining on those options. The terms and conditions of the Corporation's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Stock Option Plan, which are described under "Securities Authorized for Issuance Under Equity Compensation Plans".

Benefits and Perquisites

Benefits do not form a significant part of the remuneration package of any of the NEOs. In most cases, employment benefits, health care and life insurance are provided in a manner which is in keeping with industry standards. During the financial year ended December 31, 2012, none of the NEOs received any perquisites which in the aggregate were greater than \$50,000 or 10% of the respective NEO's salary.

Composition of the Compensation Committee

The Compensation Committee, on behalf of the Board, monitors compensation for the executive officers of the Corporation. The Compensation Committee currently consists of three members: namely, Messrs. Gary S. Guidry, Alexandre Schneiter and Keith C. Hill. All three members of the Compensation Committee are considered to be independent. Since April 2008 the Compensation Committee has maintained a mandate and meets as frequently as necessary in order to fulfill its responsibilities and in any event, at least annually.

The following is a summary description of the mandate and responsibilities of the Compensation Committee as it relates to NEO compensation:

- to review and approve corporate goals and objectives relevant to NEO compensation, including the evaluation and performance of the CEO in light of those corporate goals and objectives, and to make recommendations to the Board with respect to NEO compensation levels (including the award of any cash bonuses or share ownership opportunities);

- to consider the implementation of short and long-term incentive plans, including equity-based plans, proposed by management, to make recommendations to the Board with respect to these plans and to annually review such plans after their implementation; and
- to annually review any other benefit plans proposed by management and to make recommendations to the Board with respect to their implementation.

All members of the Compensation Committee have direct experience which is relevant to their responsibilities as Compensation Committee members. All members are or have held senior executive roles within public companies, and therefore have a good understanding of compensation programs. They also have good financial understanding which allows them to assess the costs versus benefits of compensation plans. The members combined experience in the resource sector provides them with the understanding of the Corporation's success factors and risks, which is very important when determining metrics for measuring success.

Performance Factors

At this stage of the Corporation's development, no formal criteria have been established to evaluate corporate and individual performance; however, a number of factors are considered by the Compensation Committee in making recommendations for executive compensation including, but not limited to:

- the progression of the Corporation's projects framed around budget forecasts presented to and approved by the Board;
- the Corporation's overall financial and operating performance;
- objective factors such as the NEO's level of responsibilities, experience, and expertise, length of service and the levels of compensation provided by industry competitors;
- subjective factors such as leadership and such NEOs specific performance and contribution to the benefit of the Corporation, including maintaining good government relations;
- compensation data of peer group companies;
- the Corporation's market capitalization; and
- the long-term interests of the Corporation and its shareholders.

Role of Management in Determining Compensation

The accountability for decisions on executive remuneration is within the mandate of the Board with recommendations from the Compensation Committee; however, management has a key role in helping support the Compensation Committee in fulfilling its obligations. For example, the CEO and other senior members of the Corporation's management team provide a source of external data and analysis.

Recruiting and Retention

The Corporation recognizes that its compensation package has to be sufficient to attract and retain the right level of skill, expertise and talent in an increasingly competitive global market.

The structure of the remuneration package must be well-balanced across the short, medium and longer term elements, so that it is both attractive to the individual and cost effective for the Corporation. This balance is achieved by providing base salary at a reasonable median level as an anchor which makes the Corporation a realistic prospect for talented candidates. However, the short term incentive (discretionary bonuses) provides recruits with the opportunity to achieve superior total annual reward through their own delivery of excellence at individual and business levels. Finally, the longer term reward element (stock option grants), which provides the opportunity to build ownership and growth in the medium and longer term future in line with the opportunities for success afforded to the shareholders.

Fiscal 2012 Compensation Review

On December 15, 2012, the Compensation Committee carried out its annual review of NEO salaries and recommended that the base salaries of the Corporation’s CEO, Mr. Pradeep Kabra, and CFO, Mr. Brenden Johnstone be, with effect from January 1, 2013, increased for inflation by 1%. The Compensation Committee also determined that each of Messrs. Kabra and Johnstone receive cash bonuses which are reflected in the Summary Compensation Table below under the column “Annual Incentive Plans”. The Board accepted and approved on December 15, 2012 all of the recommendations of the Compensation Committee for Messrs. Kabra and Johnstone.

Risks Associated with Corporation’s Compensation Policies and Practices

Neither the Board nor the Compensation Committee has proceeded to a formal evaluation of the implications of the risks associated with the Corporation’s compensation policies and practices. Risk management is a consideration of the Board when implementing its compensation programme, and the Board and the Compensation Committee does not believe that the Corporation’s compensation programme results in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Corporation.

The Corporation’s NEOs and directors are not permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Notes:

⁽¹⁾ Financial years ended December 31.

- (2) The value of the stock option grants has been determined using the Black-Scholes models on the date of grant and is consistent with the determinations used for financial statement purposes. The key assumptions used for this determination can be found in the notes to the 2012 consolidated financial statements. The amount presented in the table represents the fair value of the vested and unvested portion of the options granted for the period. For accounting purposes, the fair value is amortized over the applicable vesting periods. Options fair values were calculated in Canadian dollars and translated into United States dollars using an exchange rate of 0.9872 for the January 4, 2010 and September 23, 2010 option grants awarded to these individuals. It should be recognized that the actual future value will be based on the difference between the market value at time of exercise and the exercise price. Therefore, the value attributed to the stock options under the Black-Scholes model does not necessarily correspond to the actual future value that will be realized.
- (3) The Corporation does not currently have a formal annual incentive plan or long term incentive plan for any of its executive officers, including its NEOs.
- (4) During the year 2012 Mr Kabra received other compensation comprised of medical insurance reimbursements of CHF 17,952. During the year 2012 Mr. Johnstone received other compensation comprised of medical insurance reimbursements of CHF 12,689. Other compensation amounts have been translated into United States dollars using an average exchange rate of 1.0665 per Swiss Franc for 2012.

The material terms of the Plan can be summarized as follows:

1. The maximum number of Common Shares that may be issued upon the exercise of stock options granted under the Plan shall not exceed 10% of the issued and outstanding Common Shares of the Corporation at the time of grant, the exercise price of which, as determined by the board of directors in its sole discretion, shall not be less than the closing price of the Corporation's Common Shares traded through the facilities of the Exchange on the date prior to the date of grant, less allowable discounts, in accordance with the policies of the Exchange, provided that the option price shall not be less than CAD\$0.10 per share.
2. The board of directors shall not grant options to any one person in any one year which will, exceed 5% of the issued and outstanding Common Shares of the Corporation, or to any consultant in any one year which will, exceed 2% of the issued and outstanding Common Shares of the Corporation or in any one year period to those persons employed by the Corporation who perform investor relations services which will, in aggregate, exceed 2% of the issued and outstanding Common Shares of the Corporation, as calculated on the date that that option is granted.
3. Shares subject to, but not issued or delivered under an option which expires or terminates shall again be available for option under the Plan. The maximum term of any option is five years.
4. If the option holder ceases to be an eligible person, being a bona fide consultant, a director, an employee or a management company employee in relation to the Corporation (as those terms are defined in Policy 4.4 of the Exchange) shall terminate no longer than 90 days after such person ceases to be in at least one of those categories, or if an optionee dies, within one year after the date of such death. Options granted to an option holder who is engaged in investor relations activities must expire within 30 days after the option holder ceases to be so engaged.
5. The options may be subject to such vesting schedule over time as the board of directors may, in their discretion, implement or as may be required by the Exchange. Options granted to consultants engaged to perform investor relations activities must be subject to vesting requirement, whereby such options must vest in stages over a 12 month period, with no more than 25% of the Shares vesting in any three month period.
6. The options are non-assignable. The Corporation may withhold from the optionee or its agent, as the case may be, any amounts required by applicable legislation to be withheld for any taxes, or otherwise, as a consequence of such participation in the Plan.
7. The Corporation must obtain disinterested shareholder approval for any grant of stock options to insiders within a 12 month period, of a number of options exceeding 10% of the issued share capital of the Corporation.
8. Specific disinterested shareholder approval is required to reduce the exercise price of an option for an optionee who is an insider.
9. The exercise price and the number of Common Shares which are subject to an option may be adjusted from time to time for share dividends, and in the event of amalgamation or merger.

The Corporation does not provide any financial assistance to participants in order to facilitate the purchase of Common Shares under the Plan. The following represents the disclosure required by National Instrument 58-101 - Disclosure of Corporate Governance Practices ("**NI 58-101**").

Corporate Governance Practices

National Policy 58-201 - Corporate Governance Guidelines sets out guidelines for effective corporate governance. These guidelines deal with matters such as the constitution and independence of corporate boards, their functions, the effectiveness and education of board members and other items dealing with sound corporate governance. NI 58-101 requires that if management of an issuer solicits proxies from its securityholders for the purpose of electing directors, specified disclosure of the corporate governance practices must be included in its management information circular.

The Board of Directors has considered the guidelines set out in NP 58-201 and believes that its approach to corporate governance is appropriate and works effectively for the Corporation and its Shareholders. The following is a description of the Corporation's corporate governance practices which have been approved by the Board.

The Board of Directors

All of the proposed nominees for election as directors at the 2013 Meeting are current directors of the Corporation. The Board of Directors is currently comprised of Keith C. Hill, Pradeep Kabra, Gary S. Guidry, Alexandre Schneiter, J. Cameron Bailey and Brian D. Edgar. With the exception of Mr. Kabra, all members of the Board of Directors are independent within the meaning of NI 58-101. Mr. Kabra is not independent as he is the CEO of the Corporation.

The independent directors exercise their responsibilities for independent oversight of management, and are provided with leadership through their position on the Board and ability to meet independently of management whenever deemed necessary.

Directorships

Several of the current directors of the Corporation serve as directors of other reporting issuers. Currently, the following directors serve on the boards of directors of other reporting issuers or reporting issuer equivalent(s) as follows:

Orientation and Continuing Education

The measures that the Board of Directors takes in connection with orienting new Board members regarding the role of the Board, its directors, the committees of the Board and the nature and operation of the Corporation's business include providing each new member with information concerning the role and responsibilities of a public company director and discussing with new members the Corporation's operations.

The Corporation encourages continued education for its directors. The Board ensures that all directors are kept apprised of changes in the Corporation's operations and business and changes in the regulatory environment affecting the Corporation's day to day business.

Ethical Business Conduct

The Corporation is committed to conducting its business in compliance with the law and the highest ethical standards. Accordingly, the Corporation has adopted a written Code of Business Conduct and Ethics applicable to directors, officers and all employees of the Corporation. Directors, officers or employees who have concerns or questions about violations of laws, rules or regulations, or of the Code, are required to report them to the Corporation's legal counsel. Following the receipt of any complaints submitted hereunder, the Corporation's legal counsel will investigate each matter so reported and report to the Board which will take corrective disciplinary actions, if appropriate, up to and including termination of employment. The Corporation encourages all directors, officers, and employees to report promptly any suspected violation of the Code to the Corporation's legal counsel. The Corporation does not tolerate any retaliation for reports or complaints regarding suspected violations of the Code that were made in good faith. There has been no departure from the Code during the Corporation's most recently completed financial year.

All directors, officers and employees have an obligation to act in the best interest of the Corporation. Any situation that presents an actual or potential conflict between a director, officer or employee's personal interests and the interests of the Corporation are to be reported to the Corporation's legal counsel.

The Code is available on the Corporation's website at www.shamaranpetroleum.com, and is available on the Canadian System for Electronic Document Analysis and Retrieval (SEDAR) website which may be accessed at www.sedar.com.

In addition to the Code the Corporation has adopted policies to assist in the conduct of ethical business which include the following:

- an Internal Employee Alert Policy to encourage employees, officers and directors to raise concerns regarding accounting, internal controls or auditing matters, on a confidential basis free from discrimination, retaliation or harassment.
- a Blackout Period Policy for its directors, executive officers and senior management of the Corporation to raise the general level of awareness of the trading and confidential obligations of directors, executive officers and senior management. All directors, executive officers and senior management are expected to comply with the Blackout Period Policy.
- a Corporate Disclosure Policy to ensure effective communication between the Corporation, its shareholders and the public.

Nomination of Directors and Assessment

The Corporate Governance and Nominating Committee is currently comprised of three directors: Messrs. Brian D. Edgar (Chair), Alexandre Schneiter and J. Cameron Bailey. All members are considered independent within the meaning of NI 58-101. The Corporate Governance and Nominating Committee is responsible for developing and monitoring the Corporation's approach to corporate governance issues. The Committee oversees the effective functioning of the Board, oversees the relationship between the Board and management, ensures that the Board can function independently of management at such times as is desirable or necessary, identifies individuals qualified to become new Board members and recommends to the Board the director nominees at each annual meeting of shareholders and, with the assistance of the Board and where necessary, develops an orientation and education program for new recruits to the Board. In identifying possible nominees to the Board, the Corporate Governance and Nominating Committee considers the competencies and skills necessary for the Board as a whole, the skills of existing directors and the competencies and skills each new nominee will bring to the Board, as well as whether or not each nominee will devote sufficient time and resources to the Board. The Corporate Governance and Nominating Committee also annually reviews and makes recommendations to the Board with respect to: (i) the size and composition of the Board; (ii) the appropriateness of the committees of the Board; and (iii) the effectiveness and contribution of the Board, its committees and individual directors, having reference to their respective mandates,

charters and position descriptions. The Corporate Governance and Nominating Committee meets at least once annually.

Compensation

As of the fiscal year ended December 31, 2012, the Compensation Committee was comprised of three directors, Alexandre Schneider, Gary S. Guidry (Chair) and Keith C. Hill, all of whom are considered independent directors. The Compensation Committee evaluates the CEO's performance and establishes executive and senior officer compensation, determines the general compensation structure, policies and programs of the Corporation, including the extent and level of participation in incentive programs in conjunction with the Board, and delivers an annual report to shareholders on executive compensation. The Compensation Committee has also been mandated to review the adequacy and form of the compensation of directors and to ensure that such compensation realistically reflects the responsibilities and risk involved in being an effective director. The Compensation Committee meets at least annually. The Compensation Committee's role in the compensation of directors and the CEO of the Corporation is further described under "Compensation Discussion and Analysis".

Board Committees

At the present time, the Board has four (4) standing committees: the Audit Committee, the Compensation Committee, as described above, the Corporate Governance and Nominating Committee, as described above, and the Reserves Committee, described below. Disclosure with respect to the Audit Committee, as required by NI 52-110 – *Audit Committee*, is contained in Schedule "A" to this Information Circular.

Reserves Committee

During 2010, the Corporation established a Reserves Committee of the Board. The Reserves Committee is comprised of three independent directors: namely, Gary S. Guidry (Chair), J. Cameron Bailey and Alexandre Schneider. The Reserves Committee has the responsibility in general for developing the Corporation's approach to the reporting of oil and gas reserves and other oil and gas information required to be publicly disclosed. The Reserves Committee's mandate prescribes the methodology that the Corporation and the independent evaluator selected by management and approved by the Reserves Committee will adhere to in the calculation of oil and gas reserves and the valuation of those reserves. The Reserves Committee must meet at least annually.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Annual Approval of 10% Rolling Stock Option Plan

As noted under "Securities Authorized for Issuance Under Equity Compensation Plans", the Corporations' current 10% rolling stock option Plan governing the issuance of stock options was initially adopted by shareholders at the annual and special meeting held on June 21, 2004, amended on April 15, 2011, and most recently ratified and confirmed by Shareholders on June 26, 2012. See "Securities Authorized for Issuance Under Equity Compensation Plans" for the terms and conditions governing the Plan.

A copy of the Plan may be inspected at the head office of the Corporation, Suite 2000, 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8 during normal business hours and at the Meeting. In addition, a copy of the Plan will be mailed, free of charge, to any holder of Common Shares who requests a copy, in writing, from the Assistant Corporate Secretary of the Corporation. Any such requests should be mailed to the Corporation, at its head office, to the attention of the Assistant Corporate Secretary.

The policies of the Exchange require that rolling plans be approved by shareholders on a yearly basis. Accordingly, Shareholders are being asked to pass an ordinary resolution to ratify and confirm the Plan as adopted by the Board which permits the issuance of up to 10% of the issued and outstanding Common Shares of the Corporation from time to time. To be effective, the resolution must be passed by a simple majority of the votes cast thereon by Shareholders present in person or by proxy at the Meeting. If the resolution to approve the Plan is not approved by Shareholders of the

Corporation, all unallocated stock options will be cancelled and the Corporation will not be permitted to make any further grants until Shareholder approval is obtained.

Shareholders will be asked to pass an ordinary resolution, in substantially the following form to re-approve the Plan:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. the 10% Rolling Stock Option Plan of the Corporation, as adopted by the Board of Directors, and as described in the Corporation’s Circular dated May 13, 2013, be and is hereby approved and ratified, and the Corporation be and is hereby authorized to reserve for issuance pursuant to the 10% Rolling Stock Option Plan up to 10% of the issued and outstanding common shares of the Corporation from time to time;
2. the Board of Directors be and is hereby authorized on behalf of the Corporation to make any amendments to the 10% Rolling Stock Option Plan as may be required by regulatory authorities or otherwise made necessary by applicable legislation, without further approval of the shareholders of the Corporation, in order to ensure the adoption and efficient function of the 10% Rolling Stock Option Plan; and
3. any director or officer of the Corporation be and is hereby authorized and directed to do such things and to execute and deliver all such instruments, deeds and documents, and any amendments thereto, as may be necessary or advisable in order to give effect to the foregoing resolutions, and to complete all transactions in connection with the implementation of the 10% Rolling Stock Option Plan.”

The directors of the Corporation believe the passing of the foregoing ordinary resolution is in the best interests of the Corporation and recommend that Shareholders of the Corporation vote in favour of the resolution.

The persons named as proxies in the enclosed Proxy intend to cast the votes represented by proxy in favour of the foregoing resolution unless the holder of Common Shares who has given such proxy has directed that the votes be otherwise cast.

Approval of Amendment to the Corporation’s Articles to Implement Advance Notice Provisions

Background

On April 30, 2013, the Board determined that it would be appropriate and in the best interests of the Corporation to implement a requirement for advance notice in connection with the election of directors and amend the Corporation’s current articles to include advance notice provisions (“**Advance Notice Provisions**”). The following is a summary of the Advance Notice Provisions and is subject to the full text of the Advance Notice Provisions set forth in Schedule “B” to this Circular.

Purpose of the Advance Notice Provisions

The purpose of the Advance Notice Provisions is to provide shareholders, directors and management of the Corporation with direction on the procedure for shareholder nomination of directors. The Advance Notice Provisions are the framework pursuant to which the Corporation fixes a deadline by which holders of record of common shares must submit director nominations to the Corporation prior to any annual or special meeting of shareholders and set forth the information that a shareholder must include in the notice to the Corporation for the nomination notice to be in proper written form.

Effect of the Advance Notice Provisions

Subject only to the *Business Corporations Act* (British Columbia) (“**BCBCA**”), the Advance Notice Provisions incorporated into the Corporation’s Articles provide that only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation. Nominations of persons for election to the Board may be made at any annual meeting of shareholders or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors:

- (a) by or at the direction of the board, including pursuant to a notice of meeting;
- (b) by or at the direction or request of one or more shareholders pursuant to a proposal made in accordance with the provisions of the BCBCA, or a requisition of the shareholders made in accordance with the provisions of the BCBCA; or
- (c) by any person (a “**Nominating Shareholder**”):
 - (A) who, at the close of business on the date of the giving of the notice provided for below and on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and
 - (B) who complies with the notice procedures set forth below.

In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice thereof in proper written form to the Secretary of the Corporation at the principal executive offices of the Corporation.

To be timely, a Nominating Shareholder’s notice to the Secretary of the Corporation must be made:

- (a) in the case of an annual meeting of shareholders, not less than 40 nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the Notice Date) on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; and
- (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

In no event shall any adjournment or postponement of a meeting of shareholders or the announcement thereof commence a new time period for the giving of a Nominating Shareholder’s notice as described above.

To be in proper written form, a Nominating Shareholder’s notice to the Secretary of the Corporation must set forth the name, age, business address, residential address and principal occupation or employment of the proposed nominee, and the security holdings of the Corporation which are controlled or which are owned beneficially or of record by the person. In addition, the notice by the Nominating Shareholder must also disclose any other information relating to the proposed nominee as well as any proxy, contract, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote any shares of the Company and any other information relating to such Nominating Shareholder that would be required to be made in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the Business Corporations Act and Applicable Securities Laws (as defined below).

The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable shareholder’s understanding of the independence, or lack thereof, of such proposed nominee. No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Provisions; provided, however, that nothing in the Advance Notice Provisions shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which it would have been entitled to submit a proposal pursuant to the provisions of the BCBCA.

The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.

For purposes of the Advance Notice Provisions:

- (a) “public announcement” shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on the System of Electronic Document Analysis and Retrieval at www.sedar.com; and
- (b) “Applicable Securities Laws” means the applicable securities legislation of each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory authority of each province and territory of Canada.

Notwithstanding any other provision of the Advance Notice Provisions, notice given to the Secretary of the Corporation pursuant to the Advance Notice Provisions may only be given by personal delivery, facsimile transmission or by email (at such email address as stipulated from time to time by the Secretary of the Corporation for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery, email (at the address as aforesaid) or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) to the Secretary at the address of the principal executive offices of the Corporation; provided that if such delivery or electronic communication is made on a day which is a not a business day or later than 5:00 p.m. (Vancouver time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been made on the subsequent day that is a business day.

The Advance Notice Provisions applies to the Corporation so long as the Corporation is a public company.

A complete copy of the proposed Articles, as amended, may be inspected at the registered office of the Corporation, at Suite 2600 Oceanic Plaza, 1066 West Hastings Street, Vancouver, British Columbia, V6E 3X1 (Attention: Kevin Hisko, Corporate Secretary) during normal business hours and at the Meeting. In addition, a complete copy of the proposed Articles, as amended, will be mailed, free of charge, to any holder of Common Shares who requests a copy, in writing, from the Corporate Secretary of the Corporation. Any such requests should be mailed to the Corporation, at its head office, to the attention of the Corporate Secretary.

In order to implement the Advance Notice Provisions, the Shareholders of the Corporation will be asked to consider and, if thought fit, pass a special resolution (the “**Advance Notice Resolution**”), with or without variation, to amend the Corporation’s current Articles, the text of which is attached as Schedule “B” to this Circular. If the Advance Notice Resolution is passed, the amendment to the Articles will become effective on the date and time that the resolution is received for deposit at the Corporation’s records office, which the Corporation anticipates will be immediately after the Meeting.

Approval of the Advance Notice Provisions requires the approval of the Shareholders by special resolution, being not less than two-thirds of the votes cast by Shareholders on the Advance Notice Resolution. If the Advance Notice Resolution is not approved by the requisite number of Shareholders, the Articles will not be amended.

Unless otherwise directed, the persons named in the enclosed form of proxy intend to vote FOR the Advance Notice Resolution.

The Board recommends voting in favour of the Advance Notice Resolution.

ANY OTHER MATTERS

Management of the Corporation knows of no other matters which will be brought before the Meeting, other than those

referred to in the Notice of Meeting. Should any other matters properly be brought before the Meeting, the Common Shares represented by the proxies solicited hereby will be voted on those matters in accordance with the best judgment of the persons voting such proxies.
